

HiLCOS 10.12-RU8 released (Release Update 8)

2021-05-21 - - Wireless

Hirschmann just released HiLCOS 10.12 Release Update 8:

<https://hirschmann-support.belden.com/en/downloads/files/hilcos-10-12-6388-ru8-zip>

HiLCOS is our operating system powering our WLAN device family BAT.

- BAT-F and BAT-R
- BAT450-F
- BAT867-R and BAT867-F
- BAT WLC

Highlights of this release include:

- BAT450-F LTE now updates GPS every second instead of only every 5 seconds
- Compatibility with older Industrial HiVision versions has been restored
- Manual MCS configuration has been fixed
