

New User Guide - Hirschmann BAT (HiLCOS) Devices with Paessler PRTG Network Monitor

2022-02-11 - Friedrich Haussmann - Wireless

Paessler AG's PRTG Network Monitor is a common tool to observe the status of many network devices..

This guide will help you to quickly connect Hirschmann BAT (HiLCOS) devices such as:

- BAT-R, BAT-F
- BAT450-F
- BAT867-R, BAT867-F

An example device template is included to get you started quickly with the most common monitoring topics!
