## Why does HiMobile request information about bluetooth devices during installation?

- 2018-02-21 - HiMobile

For Android devices HiMobile uses the device name as configured in the bluetooth settings to register in Industrial HiVision.

Before installation of HiMobile the user needs to confirm the following message.

| HiMobile |  |  |  |  |  |  |  |  |
|----------|--|--|--|--|--|--|--|--|
|          | Do you want to install this application? It will get access to:                  |  |  |  |  |  |  |  |
