Industrial Hivision - Registration and Hardware changes John M - 2024-06-12 - Industrial HiVision

This guide is designed to step through the registration process for the FULL license key, the AMP license key, and for changing the hardware key. Before using this guide HiVision should be installed. If upgrading to a new version using an AMP license, both the AMP and FULL versions must be installed into the new version.

## Full/Upgrade/AMP Registration

- 1. Go to www.hivision.de/license/
- 2. Login or create a new login account for the Industrial HiVision license site.

## 3.

Register for an account and sign in simply or sign in if you have an existing account
