Provize Suite 01.9.00 released

2024-07-26 - - Software Products

Version 01.9.00 of the BELDEN Provize Suite has just been released and is available for download now:

Windows:

https://hirschmann-support.belden.com/downloads/files/4081-provizesuite-latest-windowsex edownloadzip

If you have the previous official version installed, you will also see an option under the update menu in Provize Suite to download and update this very soon.
